

REMARKS

Claims 1-20 are pending in the present divisional application, and claims 14, 15, 17 and 18 have been canceled by Applicant. Claims 1, 5, 7, 8, 12, 13, 19, and 20 have been variously amended by the Applicant to include the slidable and detachable keyboard, an input mechanism, or similar. Applicant believes all claims stand ready for allowance.

AMENDED CLAIMS**STAND READY FOR ALLOWANCE**

Each of the amended claims find its basis for amendment in the Specification and/or the Figures of the accompanying application. More specifically, the Examiner is directed to Page 12, lines 15-31 through Page 13, lines 1-17 for express basis, as well as Figures 8 and 9.

As such, Applicant believes all claims stand ready for allowance.

DEPENDENT CLAIMS STAND READY FOR ALLOWANCE

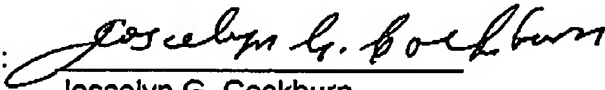

Dependent claims depend variously from Independent Claims, which are believed allowable, and as such include the amended subject matter. As such, Applicant believes all dependent claims stand ready for allowance.

REQUEST TO PROCEED TO ALLOWANCE

For each and all of the reasoning set forth above, and as Applicant believes each and all of Examiner's objections and rejections have been traversed, Applicant requests that the application be reconsidered and a timely notice of allowance be issued.

The Examiner is invited to contact the undersigned for all issues of this Application at the telephone number and/or email address indicated below.

Respectfully submitted,
